Heifer calf due 10-4-20 to THM President 3189 875 or FHCC Dual Value 8548.

One of our favorite flushes in the last several years is the Traction x RB Rita Tour 03-386 mating. It yields muscle and performance every single time. This heifer ranks in the top 2% for Weaning Weight and top 4% for Yearling Weight and that takes her to the top 1% for \$Weaning index. Her dam "386" has been our cornerstone donor with a great flush record and the most powerful phenotype we could ever ask for.

Heifer calf due 9-10-20 to Baldridge Challenger.

We start with a female that maintains an impressive phenotype with length of body, level top and deep rib. She ends with a big hip and expresses lots of muscle shape. Her big, bold and broody look matches her great performance EPDs where she ranks in the top 1% for Yearling Weight and top 2% for Weaning Weight. Furthermore, she ranks in the top 5% for \$B and top 15% for \$Combination. Her pedigree takes her back to one of the great Blackcap females of all time, G A R Ext 2114.

RB Rita Tour 03-386 - Dam of Lot 2.

Bull calf due 10-4-20 to THM President 3189 875 or FHCC Dual Value 8548.

What a great power cow in the making. Her top 1% Weaning and Yearling EPDs are evident in the flesh. She is a bold and broody female who is a granddaughter of the full sister to Connealy Onward, a bull who left a tremendous mark on the Angus breed. This female's sire, DL Dually, is a performance and muscle stamper. His service will be extremely limited and rare so take advantage of a female with the pedigree, performance and EPD profile to make donor status someday.

Due 10-20-20 to THM President 3189 875 or FHCC Dual Value 8548.

Deep ribbed and dense made is the best way to describe 8123. She comes from the storied Lady cow family rich in income generation and production. Her dam, Gaffney Lady Party 439, sold for \$31,000 to Rocky Mtn Angus in OR through the Gaffney Family Cattle Female sale in 2015. Also in 2015, 8123's grandmother sold for a record \$152,000 in the Foundation Female Sale at the NWSS to Wilkes Ranch of TX. This female has such a useful EPD package ranking in the top 5% for CED and top 15% for Yearling Weight EPD.

We start the yearling heifers with a Southern Charm daughter as it represents this division so well. This group of heifers is, without a doubt, our best set of females to date both genetically and phenotypically. The Charm daughters have been so stout and easy fleshing, and the breeding reports have been excellent on fertility of the heifers. The dam side of this heifer goes back to the great G A R Ext 614 and G A R New Design 1300 through G A R Retail Product 512, the \$82,000 grandmother of this 944 heifer.

Take a look at the great mating opportunities you could make with this female who covers all the bases on her EPDs. This is evident on her all top 15% or better index percentile rankings. Her donor dam was our feature donor selling in our 2019 female sale for \$10,000 to Southard Land and Cattle in Wheatland, WY. The phenotype and EPD package that 573 possesses is rare and it comes naturally from her mother, RB Rita Tour 03-386 who has impacted the THM herd more than any other donor combined thus far.

We have not held back on stacking the fall heifer division with our best. This embryo transfer heifer by the popular and powerful Bar R Jet Black and our high seller of \$12,000 to Southard Land and Cattle, WY from the 2019 THM Land and Cattle female sale, CAV Lady Granite 202-559. The grandmother of this lot, RB Lady 02-202, is arguably one of the most impressive "Lady" daughters in the breed. She has created a massive revenue source between her, her daughters, and granddaughters for producers across the country.

This big marbling heifer holds an EPD profile to allow for a lot of mating flexibility. Her sire has been a big success for us for calving ease and growth with carcass traits included. The dam was a first calf heifer that came from a great cow purchased from Roberts Angus Farm, RAF Blackcap 167. Her pedigree is entirely made up of highly proven maternally reliable Angus cattle. This female is tailored for the Midwest and will be hard to part with. Dam sells as Lot 13.

A wonderful combination of calving ease and growth. The dam by Southside exhibits great maternal strength and is out of the \$20,000 second top selling bred cow from the 2015 Riley Brothers sale to A1 Angus in TX. Of course, being a descendant of the great R B Lady Contrast 308-850 who sold for \$32,000 of which THM purchased a maternal sister to that same female in that sale for \$10,000 by Final Answer. Dam sells as Lot 19.

Heifer calf due 2-19-21 to G A R Ashland.

A daughter of one of the most popular and highly used sires of the last year, Growth Fund. They inject muscle and performance in every mating. This heifer is in the top 2% for Yearling EPD and top 3% for \$Beef. Her dam, FWY 9Q13 of 9360 3545 sold for \$36,000 half-interest to Spruce Mtn in the 2014 Fairway Farms Sale. Her dam is the famous 2 Bar Mile High 9360 who in 2015 sold for a valuation of \$120,000 to Crazy K in TN.

Due 3-30-21 to HF Discovery 9058.

A granddaughter of the full sister to Hoover Dam, Erica of Ellston L40, a record setting semen seller and a breed changer for maternal and terminal traits. The great Erica of Ellston C124 has put over 10 bulls in stud herself and is one of the cornerstones of the breeding program at Hoover Angus Farm in IA. In this pedigree you will find a double dose of the Lady cow family in the sire and maternal grandsire adding to the maternal excellence of this female.

Sells open and ready to flush.

A daughter of the \$20,000 second top selling bred cow from the 2015 Riley Brothers sale to A1 Angus in TX. Of course, being a descendant of the great R B Lady Contrast 308-850 who sold for \$32,000 of which THM purchased a maternal sister to that same female in that sale for \$10,000 by Final Answer. The dam of this female has an impressive record of 5 WW@111 and 3 YW@110. Take advantage of a young Southside female with BA Lady 6807 308 on the pedigree. Daughters sell as Lot 19A and Lot 10.

Heifer calf due 2-9-21 to DL Dually.

A top 15% calving ease and growth EPD female. A maternal sister to Lot 15 sold for \$105,000 in the 2019 Linz Heritage Sale as well as another \$105,000 heifer, Lady Excitement 6172. This is also a maternal sister to the \$16,000 top open heifer of our 2019 sale by SAV President selling to Wall Street Cattle Co. in Lebanon, MO. The partnership of RB Lady Complete 890-3189 has been a good one, and she is not done, as she was purchased for \$130,000 in the Linz Heritage Angus sale by Southard Land and Cattle in WY.

Bull calf due 2-9-21 to Stevenson Big League 70749.

Another young embryo transfer result from a dam, S A V Blackcap May 4558 who sold for \$35,000 in the SAV production sale to Makovika Angus in NE and whose full sister sold that year for \$38,000 to Hawk Farms in MO. Even more impressive, she is a flush sister to the \$950,000 valued SAV Sensation purchased by Herbster Farms in NE.

A top 3% Weaning Weight and Yearling Weight EPD female who does well for heifer pregnancy. She weighed big at weaning to ratio 114 in a tough contemporary group. This female's dam raised the \$19,000 top selling bull in the 2019 Split Diamond bull sale in MT. Once more you will find the great B A Lady 6807 305 in several places in this pedigree. Take a unique advantage of capturing a Blackcap cow family full of Ladys.

Open and ready to flush.

Take note of this calving-ease queen's excellence set of EPDs. Big marbling and superior foot scores can make for a unique breeding piece. She ranks in the top 5% for Claw and top 1% for Angle and is still in the top 25% for \$B and \$C. Her donor dam is our favorite calving-ease female on the farm. She has a timeless Lady pedigree with 6807 and New Standard sires to complete the maternal package. Many maternal brothers have been bull sale highlights for us in the past.

Bull calf due 9-26-20 to 2S Top Ten 8102.

As you have noticed most females selling will be ranking in the top of the breed for growth, this heifer is no exception ranking in the top 2% for YW and 3% for WW EPD. Just as appealing is her top 15% \$Combination. A maternal sister to the dam sold for \$105,000 in the 2019 Linz Heritage Sale as well as another \$105,000 heifer, Lady Excitement 6172. The dam is also a maternal sister to the \$16,000 top open heifer of our 2019 sale by SAV President selling to Wall Street Cattle Co. in Lebanon, MO. The partnership of RB Lady Complete 890-3189 has been a good one, and she is not done, as she was purchased for \$130,000 in the Linz Heritage Angus sale by Southard Land and Cattle in WY.

One of only 14 bulls in the breed with his elite combination of Calving Ease Direct EPD and Yearling Weight EPD. When you add in his birth-weight to the sort, he is only one of three! His donor dam was our feature donor selling in our 2019 female sale for \$10,000 to Southard Land and Cattle in Wheatland, WY. The phenotype and EPD package that 573 possesses is rare and it comes naturally from her mother RB Rita Tour 03-386 who has impacted the THM herd more than any other donor combined thus far. This bull's sire is our herd bull owned with Linz Heritage and sells semen through ORigen. He passes on unmatched performance. "This is the heaviest muscled 19 CED bull I have ever seen, period." Wes Tiemann
